YOU ARE INVITED.

CLUBHOUSE

The Tudor style clubhouse, completed in 1931, has welcomed Brookside Golf and Country Club members for decades. After undergoing multiple improvement and renovation projects, the clubhouse was most recently renovated in 2017 to include the addition of a brand new casual Pub.

More compelling than the echoes of our past, however, is the energy of Brookside today. You'll hear it in the voices and laughter of members getting together for lunch, gathering for a business meeting, heading out to the golf course, dropping in for a workout, networking before an event, or simply pausing to spend some time at the club with family and friends.

Our Mission: *To provide our members and their guests with the premier country club experience for active families including exceptional golf, tennis, athletic, dining and social programs.*
